Technology Updates: Tabor recently received an upgrade in internet speed, which allows us to more easily upload our sermons and worship services to the internet. Sermons can be found on our church website soon after the worship service. The entire service video will be uploaded, but kept as an unlisted link. If you would like to watch an entire worship service, simply send an email to Kim Funk (kfunk@tabormennonite.org) and she will email you a link to the service. From now on, we will only make DVDs and CDs of the worship service by request. We will no longer make copies to be checked out. Please visit with Pastor Phil if you have any questions.
